This submission is in response to the Commissions letter of November 29, 2011 regarding Obama for Americas October Quarterly Report (07/01/2011-09/30/2011):

Item 1: Excessive contributions from individuals have either been reattributed, redesignated, or refunded, as reflected on either the 2011 October Quarterly amendment or 2011 Year End report filed on or before January 31, 2012.

Item 2: An amendment has been filed to update the in-kind contribution recipient information.

Item 3: Donors that have been refunded more than their contributions were the result of double refunds. Their records have been corrected, reflected on either the 2011 October Quarterly amendment or 2011 Year End report filed on or before January 31, 2012. The Committee has also processed refunds for contributions received in the 2008 election cycle. A note has been added to the refunds relating to 2008 contributions on the 2011 October Quarterly amendment disclosing when the original contribution was made. Some of the refunds included unitemized contributions so the refund amount reflects the total aggregate contribution from the donor.

Item 4: An amendment has been filed to further disclose reimbursements to individuals.
